Unquote, the changing of the Air Mail Stamp fits in perfectly with the Wright Celebration and Flight that is now under way in Dayton.

The Commemorative Flight will start in Dayton at 2:30 P. M., Saturday, May 27th, 1933. ## Stamp News From Everywhere

Representative D. C. Dobbins of Illinois proposes that the postage rate be put back to 2c on letters and that all third class mail now being sent out in envelopes at 1½c be raised to 2c, claiming that it costs just as much to handle as the 2c letter. This would be a happy thought for the benefit of publishers of papers such as ours.

A group of collectors of Norristown, Pa., organized the Montgomery Stamp Club. Those in the vicinity wishing to get acquainted can get further details from Mr. Frank R. Anselm, 214 Nassau Place.

Nina F. Huie of Racine, Wisconsin writes that the coming Newburgh Peace Stamp is of especial interest to her because Washington's Headquarters at Newburgh was on the farm of one of her ancestors, who was one of the original patentees of the German Patent granted by Queen Anne in 1709.

John F. Husse, secretary of the Magic City Stamp Club of Barberton, Ohio, advises that a \$20,000 exhibition of stamps will be put on by the club at the Barber Public Library, April 20th to 22nd.

Unless we are mistaken the Barber Library was named for that fine old gentleman whose picture we find on the Match Stamps of the Barber Match Company which by the way was at Barberton, Ohio. Barberton is still one of the largest manufacturers of matches in the world.

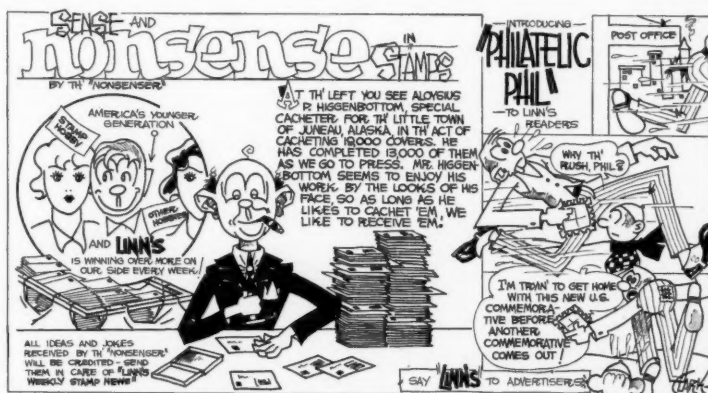

Albert L. Shuhart of Audubon, N. J., collects cancellations from towns which form parts of his name. He recently got one from Shueyville, Iowa. His request was noted by the postmaster who enclosed a note which Albert believes puts this postmaster in the lead of the race for those in

the service the longest. The note said—"I received my appointment December 5, 1882, from Timothy Howe P. M., have been P. M. here continuously since. Am on my 51st year. (signed) Clay Bowers." Surely a record and as Al says, we too would like to have a few sheets of the first ones Clay sold in little old Shueyville.

On account of the recent California Earthquake, the exhibit planned by the Orange County Philatelic Society for the last week in April has

Madison Hotel in Atlantic City. The grand prize was won by Jacques Kilcher on his display of his famous collection of French Colonials. The exhibit was a grand success. The Atlantic City Stamp Club also announce their intention of asking for the 1934 American Philatelic Society Convention.

This is to correct a statement regarding the secretary of the Coldwater Stamp Club, Coldwater, Mich. A former statement gave the name of S. A. Parrish as secretary, whereas the secretary is Mr. L. A. Harris

been set at the first week in May. Covers sent for cachet will be held until that date.

Probably the earthquake shook all the stamps off their hinges and the members have to have an extra week for remounting.

The Atlantic City Stamp Club which now numbers 78 active members held its first annual exhibition the week ending March 18th at the

whose address is State Public School, Coldwater.

Mr. V. J. Molitor, publicity manager of the Austin Philatelic Club, 3125 N. Mansfield Ave., Chicago, advises us that the next issue of "The Zepp," official organ of this club, will be ready in April and that copies will be sent anyone for a stamped addressed envelope. This is the Club paper that we spoke so highly of in

a recent issue and will be worth getting by other clubs as a model club paper.

Out in Elmwood Park, Ill., the Leyden Stamp Club has been formed. Already there are 20 members enrolled in the club and meetings are held each Wednesday night. Collectors in the vicinity are urged to address William Ridge, 2453 Hessing Street, River Grove, Ill., for further information.

Over in Lyon Mountain, northern New York State the recent snow storm made the snow so deep that the rural mail carrier could not make his regular delivery by his usual method. A pony was secured, the mail was loaded on the pony and the mail man prepared to do a Paul Revere but it was found that the pony could not carry both the mail and the rider. Then the modern Miss, Anna Gadway, daughter of the Rural carrier came to the fore, she told pa to go sit by the fire and for two days she delivered the mail. Twelve miles to upper Chateaugay she rode each day and on the third day the snow plows got through.

Here is a pony express and we suppose collectors of cachets would have

loaded the pony up so that even the girl couldn't have been carried had they known of this undertaking.

Roy S. Barker of Springfield, Mass., tells us that the recent exhibit at Springfield was a huge success, that over 1300 visitors came to view the many attractive and interesting displays and that at the last meeting of the Springfield Philatelic Society a Jig Saw Puzzle contest was held with the Duchess of Alba Puzzle. Arthur G. Labine won first prize with a record of 18 minutes to put the scrambled lady together again.

John J. Fitzgerald of Brooklyn, claims that postal employees are human even when they have earthquakes as is proven by his request for a signature on a cover which he sent to Long Beach, Calif., for an Old Ironsides cachet. Instead of a signature the cover came back with a note saying "The Postoffice is wrecked, and we can't find the postmaster, so no chance for a signature, lucky to get the covers thru."

The South Side Philatelic Society is the name of a new stamp club which has been organized at the South Side High School of Fort Wayne, Indiana. Forty students are members of the club.

George T. Bush of Bellefonte, Pa., sends news of a new club formed at State College, Pa., on Tuesday evening, March 21st. Members are from State College, Bellefonte and vicinity. Nittany Philatelic Club is the name chosen for the new organization and meetings are to be held on the first Monday night of each month, in the Old Main at State College.

### Special Machine Cancellation To Advertise Exposition At Chicago

At the request of Mrs. James Hamilton Lewis, member of the Board of Trustees of the Century of Progress Exposition to be held at Chicago from June 1 to November 1, and former postmaster William B. Carlile of Chicago, Postmaster General Farley has authorized the preparation of a special cancelling die to be used on all letter mail emanating from Chicago during the term of the Exposition. There will be 35 of these machines sent to the postmaster at Chicago and they will be ready in about two weeks. After that time approximately 90 per cent of all letter mail leaving the Chicago postal district will be marked with this special cancellation.

The special cancellation will be used on the face of all first class mail and will contain the following legend: "Century of Progress, World's Fair, Chicago, June 1, November 1."

## Naval Cancellations

W. J. Kirby, Editor,  
Dermott, Arkansas

Though slightly damaged by the quake on the last day of her stay at San Pedro, "Old Ironsides" is continuing on her journey up the Pacific Coast. Slight changes in the schedule may be necessary; watch for a revised schedule. Pacific Coast collectors, please keep me posted.

During the last day of the Constitution's stay at San Pedro, she was boarded by Admiral Richard H. Leigh, Commander-in-Chief of the U. S. Fleet and his flag raised. This was commemorated by a cachet, printed in blue.

I have received covers with two different cachets for March 10, the day of this famous old frigate's arrival at Long Beach. One is a red-and-blue printed cachet, similar to that used by the San Pedro Chamber of Commerce; the other is a beautiful rubber-stamped cachet, applied in blue ink. This latter cachet was applied on succeeding days in green, purple and magenta.

Astoria, Oregon, Chamber of Commerce will sponsor a cachet during the stay of Old Ironsides at that port May 5-8. Longview, Wash., Chamber of Commerce will sponsor a cachet during the stay there, May 22-25. Covers sent now will be held for arrival.

U. S. S. Maryland used a four-leaf clover cancel on March 17, applied in green and in black. U. S. S. Pennsylvania used "ST. PATRICK'S — DAY" between bars, applied in green ink.

There are others, of course, that I have not seen.

U. S. S. Brooks, as usual, has used many nice cancels during the past few weeks, including Mar. 1, "1845, TEXAS — ANNEXED"; Mar. 4, "U. S. S. CYCLOPS — LOST, 1918"; Mar. 3, "WAR AGAINST — ALGIERS, 1815"; Mar. 8, "EX-PRES. TAFT — DIED, 1930"; Mar. 17, "1st SUBMAR — INE DIVE, 1898"; Mar. 15, "USS VANDALIA — WRECKED, 1889."

Have had a number of letters during the past two weeks asking where advance information regarding these cancels can be obtained. So far as I know, there is no place. One should send covers regularly to such ships as are known to use this type of cancel. One of the features of this branch of the hobby is the surprises; one never knows just what to expect. Experience will teach you where and when to send your covers, and you will seldom be disappointed.

## News of The Chicago Stamps

It is announced that a change has been made in the design selected for the 3c value of the Chicago Stamps. Originally it was announced that the 3c value would picture the Administration Building at the Exposition. It is now announced that the three towered Federal Building will be pictured on this stamp.

It is believed that the Chicago stamps will be issued about May 1st. While it is planned to issue about a half billion stamps for this event, the 3c values will be printed in smaller quantities at first in event a change to 2c postage on letters becomes effective when a change in the stamp will be made to a 2c value. Should this happen, the set will eventually turn into a 1, 2 and 3c stamp.

A FORECAST AND RECORD  
Swift to Report — Straight to Record

Send all information regarding new issues direct to the editor of this Department, address below.  
Stamps submitted for examination and listing will be returned promptly.  
RAY SHEPARD, . . . 1529 DUXBERRY AVE., . . . COLUMBUS, OHIO

**UNITED STATES**—The first minor variety on the "Oglethorpe", to be brought to our notice, has just been received. It must be a constant variety, as it is reported from two different sections of our country, simultaneously. Vernon Buss of St. Louis, Mo., and Joseph Snyder, of South Haven, Mich., both report that the frame line is broken, just below the "T" of "CENTS". This occurs on the 46th stamp in the Upper Left pane of plate #21096.

**CHINA**—Our rheumatism, with which we have been afflicted for the past two months, must have gone to our head last week, for in checking back, we find that our chronicle of last week was ALL WRONG, for China. The correct listing follows:

**CHINA**—Offices in Sin-Kiang. The Tan Yuan-Chang issue, illustrated in our issue of Mar. 11th, has been overprinted for use here:

A48—2c. olive green  
" 5c. yellow green  
" 25c. dull blue  
" \$1. red

**CHINA**—Offices in Yunnan. The above set was likewise overprinted for use here.  
(Scott's Monthly Journal)

**EGYPT**—The current stamps are now being printed on chalk-surfaced paper. The former printings on ordinary paper are still in concurrent use.  
(A. F. Turner, London, Eng.)

**ERITREA**—In commemoration of the 50th anniversary of the annexation of this colony, an appropriate set is in the offing. The series will comprise both ordinary and air post stamps. It is announced that they will be inscribed "R. POSTE COLONIALI ITALIANE" and will be valid for postage in the other colonies, as well.  
(A. F. Turner)

**FRANCE**—The 45c. chronicled Mar. 4th, exists only precanceled. The 10fr., Scott's type A37, is now appearing in a very DEEP BLUE.  
(Philatelic Magazine)

**HUNGARY**—In connection with the holding of the 4th International Jamboree of the Boy Scouts, near Budapest, this coming August, a special issue will be made. The design will show the Miraculous Deer of Hungarian legend.

(Philatelic Magazine)

**INDO-CHINA**—The "Service" overprint announced in our notes of Oct. 1, 1932, was issued Feb. 27th, of this year, on all values of the current set, except those below the 1c.  
(Philatelic Magazine)

**LATVIA**—Another Airmail Charity set is to be issued. The one chronicled Feb. 11th, was to aid the widows and orphans of civil airmen, killed in service. The new set is for the airmen themselves that suffer injury in line of duty. The new set will consist of a 2s. plus 52s. (Fall of Icarus); 3s. plus 53s. (Monument to fallen Airmen); 10s. plus 60s. (Tomb of an Aviator); and 20s. plus 70s. (Eagle dropping wreath on pilot's grave).  
(Philatelic Magazine)

**MACAO**—The provisionals heralded in our notes of Jan. 7th, have all been issued.  
(R. Roberts)

**MANCHUKUO**—The commemorative set heralded in our issue of Mar. 18th, is at hand:

1f. orange (National Flag)  
2f. green (Government Office)  
4f. red (same as 1f.)  
10f. ultramarine (same as 2f.)

The two lower values were all sold before 10 o'clock the morning of issue, as well as ALL postcards. Of the postcards, only two values were issue. Also for the information of cover collectors, only one cachet was used, in purple rubber stamp ink, reading in Chinese "First Anniversary of Manchukuo, New State, Mukden Daidis 2nd Year March 3rd".  
(Karl Lewis)

**PORTUGAL**—Postage Due. New transverse oblong type, figure in center:  
1\$20c. brown gray  
(R. Roberts)

**RUSSIA**—Another long set is to be issued soon. The entire set will picture the peoples that inhabit the various countries of the U. S. S. R.; 1k. (Cossacks); 2k. (Legsins); 3k. (Crimean Tartars); 4k. (Hebrew of Birobidjan); 5k. (Tunguses); 6k. (Boeriatas); 7k. (Tschetchenians); 8k. (Abassians); 9k. (Georgians); 10k. (Samoyedes); 15k. (eight different designs of this value, picturing the following peoples: Yakuts, Great-Russians, Ukrainians, White-Russians, Armenians, Uzbeks, Turkmen and Tadzhikians); 20k. (Korakian); 30k. (Baskirs); and 35k. (Tshoovashian).

**RUSSIA**—Add to the set pictured and chronicled in our issue of Dec. 17th, 1932, the following value:

20k. crimson-lake (blast furnaces)

(Philatelic Magazine)

### SENSATION MIXTURE

We were recently the lucky purchasers of all the odd boxes of stamps, stock books, approval books, sets, odd packets, old bank mixtures, etc., from London's oldest established stamp shop.

The proprietor having recently retired, much of it has lain untouched for years.

We came across a big parcel of good class and rare stamps that had probably been put aside for eventual sorting and cataloguing.

Thousands of good quality items that price 15c, 30c, 50c, and even \$5 and \$10 each.

We are not sorting or classifying at all. You may get 6 or 7 \$5 stamps in a \$3 lot.

Apart from the rare stamps this mixture is remarkable for its unusual variety, and will give many hours of profitable pleasure to any dealer or collector to sort.

The whole lot has been mixed together and is guaranteed unpicked.

Weighed out into lots of about 6,000 stamps including early U. S. \$3 per lot.

5 lots for \$12.

You will definitely become a permanent customer after buying a "SENSATION" lot.

Sent post free per return securely packed. Cash returned in full without question or quibble if you are not delighted.

H. Pratt, 91 Antrobus Rd., Birmingham, Eng.

**Swap Auction**—April 20th, enables collectors to increase their collections without cost. Foreign, U. S., and precancelled included. Previous sales very successful. Send 5c for my bulletin of stamps and valuable souvenir stamps.

## Bicentennial Double Paper

Trenton, N. J.  
Feb. 28th, 1933.

Editor of Linn's Stamp Weekly:—

Dear Sir—I made a discovery the other day that I timidly mention from the fear that the news may upset some of the Philatelic brethren, but not being one of the elect myself, I am certain that the tidings will create no great furore nor perhaps, earn even a mildly polite sniff. I had torn off a corner of an envelope that had on it a Washington 2c stamp of a very striking shade of carmine and placed it to soak in a glass of cold water. After about an hour I looked to see how things were coming on and was surprised to find two pieces of paper where there had been only one. I found that the stamp had been printed

on double paper, the back piece had come off in soaking. I know that my find will never be worth a nickle but I intend to happily mount it in my collection. Neither do I give a cuss whether my story is believed or not but as a raft of other "nuts" have come to the fore with tales of wonderful finds that they have made with the Bicentennial printings, I felt like adding my little five cents worth. But if one of the "Big Shots" had found it, what a hullabaloo would have been raised with picture and pedigree attached.

Yours for more sanity,

## Stampocracy

Frank A. Nees of Akron, Ohio, addresses an Old Ironsides cover to our office by the following address—Stampocracy—20 E. Chestnut Street—Columbus, Ohio—all of which reminds us of the talk by Professor Guy Harold Smith at the annual meeting of the Columbus Philatelic Club last December.

At that time Technocracy was at its height and that reminds us, it seems to have disappeared altogether, anyhow Professor Smith coined the word Philatocracy on this occasion and now we have Stampocracy from another source.

## Precancels

Information regarding new issues and notes of interest on all Precancels, other than Bureau Prints, should be sent direct to the Editor of this column.

K. M. GIERHART, BALTIMORE, OHIO

This week things are a little dull, nothing much of note. E. S. Baldwin of Adena, Ohio, reports the 5c Olympic from Steubenville, Ohio and Rutland Vermont, if this is in Rutlands U-1 type it must be a fine looking stamp. A Webster is reported from Steubenville also I suppose these are in the hand electro type, possibly U-121. I picked up a 1½c Bi-Cent. from Gibsons, Pa. in a red-purple ink and U-73 type.

Mr. Geo. W. Hawse of Washington, D. C. submits quite a large list of bi-centennial items and commemoratives. The former list is too large to reprint but I will pick out the high spots in the comems for you. Winchester, Va., has precancelled the following in U-73 type. The Olympics, Lake Placid, Penn and Webster. Here is a good one, the Edison from Staunton, Va. in No. U-12 type. Midwest, Wyo. U-54 on the Penn and Webster. Mr. Hawse collects generally, but tries to get one stamp from each city or town. If he would go this just one better and get one stamp in each type from every town he then would be forming a TYPE COLLECTION. The above sentence is about the simplest form anyone can use to describe a type collection. For instance (referring to the 1930 catalog) take Marion, Ohio. Type I is U-71 any one stamp in that type will fill the bill for that. Type II is U-10. One stamp from Marion in U-10 fills that one. There is no Type III in the catalog but a Type IV which is U-12, one in that type and you have Marion complete. Only three stamps. If you wish you can add the bureau print type. That only makes four. A little over two years ago it took about four thousand stamps for a complete collection, now I imagine that the number is rapidly approaching six thousand with the new hand electros appearing so fast.

### A Letter From Hawaii

A reader of Linn's in Hawaii writes that dealers might give a bit more attention to the thought that Hawaii is quite a distance from the states. He says he has cancelled approval selections from American Dealers solely because always after receipt of same, the next boat bore a dun for their return.

Hawaii is fully two weeks from Eastern United States points and altho this correspondent states that he returned selections on the next boat after receipt, dealers failed to take distance into consideration and fired along their stereotyped forms demanding return of the selection within the usual time after sending them out, whereas in most cases the selection had only just arrived in the hands of the Hawaiian collector and could not possibly make the round trip short of five or six weeks.

Rather than be constantly embarrassed by such business methods this party states that he requested that no more approvals be sent him.

### Love and Kisses

Doc Brumfield, of Indianapolis, who in addition to editing a column of Linn's on Christmas Seals is also acting as Chairman of Committee on Arrangements for the Annual Precancel Stamp Society, signed as he always does a letter to a fellow collector with "love and kisses". They say this chap's wife is threatening divorce as she thinks her husband has another girl in Indianapolis. That's nothing, Mrs. Linn is getting so she expects these "love and kisses" in all of Doc's letters.

## International Stamp Club of Brooklyn

By Harry Y. Callahan

At Ashland and Saint Felix Streets, we gather twice a month, To meet our cultured brothers, and good old stamps to hunt, The members are a lively crowd, from many walks of life, Who indulge in stamp-y gossip, and relax from care and strife.

No matter what your calling, you could do something worse, Than accept our invitation, and attend our friendly bourse, Our members do collect fine stamps from every known clime, And they are always willing to trade at any time.

Gil Martin has some revenues, Porter, sets so grand, Wycherly has kangaroos, the writer, Ireland, Lovering has United States, now, that is not all blarney, And if you need expert advice, consult our Mr. Barney.

Morris, Briggs and Peters, are expert in the art, But when technique arises, young Meyers plays his part, Both Hoffmans favor Canada, as well as many isles, Webb, and R. B. Martin, are men of many styles.

Zeltman and Sugarman, are always there with facts, And fair haired Mr. Swan, a specialist in cracks, Nickerson has lovely birds, U. S. for Mr. Leu, New sheets for Mr. Sabin, as I relate to you.

Weston has superb new stock, a jolly good old fan, Nowalski, and Marmorino are also in our clan, If you want some beauties, all, they guarantee, Call on Mr. Brodie, or Mor-iar-ity,

Brother Elkins, as you know is always very nice, Take his stamps at auction, they are cheap at any price, Linker has a mixture of kings, queens and vamps, Norman just collects, and writes up all our stamps.

If you want some leisure, professional, or cub, You may join the gentle art, where we never snub, For my friendly brothers would go without their grub, To spend a pleasant evening at our stamp-y club.

## More Minor Varieties

L. H. Breker of Los Angeles, who is in the habit of scanning his stamps through a magnifying glass calls attention to two items that may interest our readers.

The 16 1918 Airmail stamp shows evidence of some extra tooling or scratches on the plate. It would appear to be lines placed there by the

engravers tool in touching up the plate.

A block of four stamp shows some few vertical lines directly under the tail of the plane. Mr. Breker says, exhaust from the engine. This shows in but one stamp from the block and its position is not known.

Another variety that may interest you is the 2c Yorktown. Mr. Breker finds a black spot on the cheek of De Grasse. Looks like one of those court plaster patches that we see on pictures of people of his period.

The spot appears only on the black plate number F 20665, the 40th stamp in the Agency Sheets.

**PHILATELIC CARTOONS** Over a year ago Linn's Weekly started printing a number of Cartoons. This was kept up for some months and was soon copied by other publications. Eventually the cartoons were discontinued for lack of suitable drawings. It seemed impossible to get those who were drawing the pictures to understand the difference between a cartoon and a funny picture.

At present, we are fortunate in having the assistance of a young man who has the ability to make suitable pictures and who has a knowledge of stamps and stamp subjects at the same time.

We are therefore introducing in this issue, a series of cartoons which we hope to run at least once each month. These cartoons are by G. Warden Clarke of Cleveland, Ohio. Mr. Clarke has volunteered to supply the drawings if we print the pictures and we are delighted to accept the assignment as he makes it for the first one is certainly a well worth while drawing and we have hopes of great things from this artist.

ing and we have hopes of great things from this artist.

Mr. Clarke is studying cartooning and we feel quite proud to present his pictures which we hope will be enjoyed by all of our readers. If anyone has any suggestions for future cartoons we will be glad to have them submit the suggestions to our office and will convey them to Mr. Clarke. Readers who submit suitable suggestions for cartoons will have their names incorporated in the drawing and full credit will be given.

### EVERYTHING LOOKS LOVELY

With the settlement of the banking situation, there seems to be every indication of a revival of business in a general way. We hear reports from all over the country of renewed activity and our own sales and cash receipts are showing a general improvement. The New Deal is affecting business in a pleasant manner and we anticipate a steady improvement.

**POCHETTES** We have had frequent inquiries for small cellophane or Kodapac envelopes to hold single stamps, blocks and even in larger sizes. In this issue, there is an advertisement from Mr. Falkoff of Wooster who offers these small envelopes or pochettes in numerous sizes and the samples we have seen are well made and should meet the requirements of those looking for such items.

### THE HIND COLLECTION

Word is at hand that the great collection of the late Arthur Hind is to be sold. The management of the sale has been placed in the hands of Mr. Hinds' close friend, Mr. Wm. C. Kennett of Hazlewood, Ohio, and Mr. Charles J. Phillips of New York. Mr. Kennett spent much time in the past several years assisting Mr. Hind in the formation of this great collection and it is but fitting that he should preside at its dispersal.

**G. F. RAPKIN OF LONDON** announce the withdrawal of their price list in Dollars and substitution of a list pricing their goods in Pounds Sterling. This is made necessary so they state by the unsettled Foreign Exchange situation. It is believed that Britain is planning to return to the Gold Standard.

**A MEMBERSHIP CARD IN THE Elgin Philatelic Society** has been issued to Linn's Weekly Stamp News which certifies that Linn's Weekly Stamp News attends every meeting of the Elgin Philatelic Society, and is a member in good standing.

Customer: I would like to look at some of your pink Hawaiian numerals, perf. 8, which I saw advertised in the oblong quadrille paper this afternoon.

Dealer: Just stamp this way, please. Do you prefer the tete beche variety or—

Customer: O. G., yes; that's the kind. Phil Lately bought some here and he said they were good.

Dealer: I suppose you know how to look at these tete beche stamps?

Customer: How do you mean?

Dealer: You look at the one on the left. Then you stand on your head and look at the other.

Customer: I see—a kind of double impression, eh?

Dealer: Yes. Do you want a Strait Settlement?

Customer: Certainly. Did you think I would make any other kind?

Dealer: Well, I didn't know. Port Said you might.

Customer: Saar? Natal collectors are frauds.

Dealer: I see by the pelure paper that Alsace and Lorraine eloped. Will you have any Hamburg?

Customer: No, thanks, unless it is a Sandwich. I understand Diego Suarez got stuck in Greece on Thanksgiving Day.

Dealer: Yes. And Fernando Po went fishing in Finland. However, we will not Fiume about it. How did you get here so soon?

Customer: I came by Air Mail, Special Delivery, in a semi-postal condition.

Dealer: No doubt; you talk like it. Did you know Spain has an office in Morocco?

Customer: That's nothing. I used to have an office in the Stangenwald Building. Say, what does this C. A. mean they use in those British watermarks?

Dealer: That means, call again.

Customer: Ouch! All right. I'm going.

Dealer: Hey! Don't run away without paying for that pink Hawaiian numeral, perf. 8. The price is \$3.500.

Customer: Sur—charge it!

Dealer: Great Scott!

## Special Cachet First Voyage S. S. "Washington"

Second Assistant Postmaster General,  
Washington, March 25, 1933.

On May 10, 1933, the S. S. Washington, the sister ship of the S. S. Manhattan, will sail on its first voyage from New York to Cobh, Plymouth, Le Havre, and Hamburg, and return.

To commemorate this voyage a special cachet will be used on letters complying with the conditions stated below, which are sent under an outer cover, prepaid at the domestic postage rate, to the seapost clerk, S. S. Washington, New York, N. Y., to reach him not later than May 8, 1933.

Letters addressed for delivery in any foreign country may be sent by this first voyage if fully prepaid at the ordinary letter rate applicable to the foreign country in which they are to be delivered. They may be sent registered if paid the special fee applicable.

Letters addressed for delivery in this country may also be sent by this first voyage. They will be kept on the ship until it has completed its round trip to New York and then will be sent forward from New York by the ordinary means if they are prepaid at the ordinary domestic letter rate. They will be forwarded from New York by air mail if they are prepaid at the domestic air-mail rate. They will be forwarded from New York under registration if paid the additional fee applicable.

Letters addressed for delivery in trans-Pacific countries, letter mail for which is usually dispatched via the Pacific coast, and in foreign countries in the Western Hemisphere, will also be kept on the ship until it has completed its round trip to New York. Such letters will be forwarded from New York by air if they are prepaid at the air-mail rate.

The rates applicable for dispatch by this first voyage are the same as would be applicable in regular course even though in some cases, for instance in the case of letters for delivery in this country and other places in the Western Hemisphere, the letters because of their unusual dispatch to Europe and return are transported over a longer distance and are given service which is not ordinarily rendered for the postage and air mail fee paid.

### No Stamp For Cermak

Superintendent Eidsness of the Division of Stamps states that the contemplated Mayor Cermak 5-cent stamp will not be issued at this time, leaving the Chicago set a 1 cent and 3 cent stamp—the 1-cent for the postcard rate; and the 3-cent for the domestic rate. There will be no foreign rate stamp at this time at least.

The Bureau of Printing and Engraving is so busy getting out the approximately \$2,000,000,000 of new money ordered that it is still working day and night and could not find the time or help to get out any more new stamps at this time, Mr. Eidsness said.—J. H. Jenkins.

The cover is made of a beautiful, heavy antique finished art paper, a rich chestnut brown color. Will not soil readily, is artistically printed in a rich, deep red, green and gold. Finished with rounded corners.

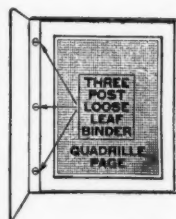

## Pages—

One hundred pages 9¼x8 inches, printed from new plates, with an artistic border surrounding a fine quadrille ground work for mounting. This quadrille work is marked

with a center of page position mark as well as position marks at both sides and at top and bottom of the page for accuracy in mounting. The paper is a light weight white bond paper, light in weight so that the book will lay open when in use.

## BROADWAY CHATTER

By BI STANDER

Major Guy W. A. Camp has been appointed manager of the Philatelic Division of Elbe File and Binder Company. We have known the Major for the past seven years and he is very well liked here. The Major years ago was a dealer in Washington, D. C., and from time to time has been very active in stamps as the President of the Society of Philatelic Americans and also as the President of the Society of Philatelic Americans, branch No. 1 of New York. He has given his time very unselfishly to philately and we wish him every success in his new work.

To jungleville, so called at the foot of the East River. There are white collar men in that motley gathering and we hear a collector there is, and in his rudely constructed hut by the light of a lamp he pores at his stamps. Neither hunger, nor sickness will force him to part with his precious treasures. Here is the true collector and my hat is off to him.

We hear of the find of a lot of the present 1½d. issue of Great Britain unused in a small provincial postoffice near London, printed on both sides that are worth \$175 each. There are still opportunities in small postoffices in this country. Just sharp eyes and persistence in some cases should be productive of results.

There has been a steady rise in the 8c Bicentennial used. Nearly all wholesale dealers here have raised the price. This stamp used in our opinion is much better than the 9c. Bicentennial. Scott's Monthly has put this stamp at five cents instead of three cents.

We are at a loss for a joke this week. The wife suggests that we send in our picture.

How can a man be in two places at the same time? If our memory is correct it was at a stamp convention where a photograph was taken. In the front rank on the right side stood a shining light of philately and as the camera was a revolving one as soon as his picture was taken from the right, he ducked and running behind the rear row, was able to get at the left end of the line to have his picture taken the second time when the focus of the camera reached him which I thought was clever.
